Name as on passport: _____

I understand that this is an active program in a tropical climate. I understand that the program involves significant amounts of walking, including over irregular terrain or up and down stairs. If the physical demands of the trip might pose a challenge, I have discussed this with a Detours With Matt representative.

I understand that my license for Cuba travel is based on my participation in a full-time schedule of activities promoting meaningful interaction with Cuban nationals.

I have carefully read the Terms and Conditions page and agree to the terms listed therein.
